

Dear Linda

I hope you are well in this terrible time of the Covid-19 virus. I am, apart from the fact that I can't visit you or see my friends, but we still have to be positive!

The weather has been great recently, I've been playing on our trampoline with my little sister, having water balloon fights and my parents have been painting the fence. I hope your enjoying the weather too! Also what have you been doing over the easter holidays? Have you been doing anything with your friends?

I have done some baking and made scones and chocolate fondents, which were delicious!!!

I hope to see you again very soon

from Zaara
