"Let all that you do be done in love"
1 Corinthians 16:14

Our new value this term is Truthfulness & Honesty.

We will be sending out the Learning Challenges for this term next week. Please have a look and see what your child will be learning all about!

Eid Mubarak

Wishing our families Eid Mubarak. Enjoy your special day. Don't forget your party clothes on Monday!

Aspirations Week

What a wonderful Aspirations Week we have had! So many amazing people have visited our school to tell the children about their occupations. They have explained how important education has been to them and inspired children to think about their hopes for the future. It has been a chance for children to start thinking about what they might want to be in the future, and to learn about pathways into a variety of careers.

Among the visitors who came to talk to the children were an architect and journalists! Year 3 really enjoyed listening to them. It allowed the children to think about what sort of person they aspire to be when they grow up. They created handprints to help them recognise their own special skills and how they can use their traits to be whoever they want to be!

We also had a visit from an NHS Radiographer, the Fire Service, the Police and Mr Rigby's Great Grandmother who talked to the children about her life story of 103 years!! She told the children about her job in WAAF during the war and all about being a Plotter.

Toy Donations

If your child has any toys that they do not play with anymore, we would appreciate donations of any of the following for our lunchtime play areas:

Toy cars, any transport toys like boats, buses, trains etc
Toy figures, especially superhero's!

Soft toys - but only animal ones that we can use for our vet hospital. Thank you.

Year 1 Trip to Staircase House

Year 1 spent a fantastic Tuesday morning travelling back in time to 1666 when the Great Fire of London happened!

They had their very own Samuel Pepys, King Charles II and lots of soldiers and servants too!
