

<p>Successful Learners</p>	<h1>What mattered to Ancient Greek people?</h1>	<p>Successful Learners</p>
<p>Areas of Learning</p> <p>As mathematicians we will measure perimeter and calculate perimeter. We will understand the denominators of unit fractions, compare and order unit fractions, understand the numerators of non-unit fractions and understand the whole.</p> <p>As information technologists we will think about the different methods of communication, open and respond to an email and write an email to someone from an address book. We will learn how to use email safely.</p> <p>As historians we will use evidence to ask questions and find answers to questions about the past. We will suggest causes and consequences of some of the main events and changes in history. We will describe the social, ethnic, cultural or religious diversity of past society and we will use appropriate historical vocabulary to communicate including dates, time period, era, change and chronology.</p> <p>In R.E we will know that Christians believe that Jesus has/had the power to change people's lives. We will know that choosing to follow Jesus is not an easy option and that lives of people today are transformed by Jesus and they choose to change. We will be able to talk about our experiences of change, retell the Bible stories we have explored and talk about the ways in which Jesus changed people's lives and the impact that had on them.</p>		<p>Areas of Learning</p> <p>As writers we will be studying different books and writing our own narrative from these as well as other genres. We will study author's skills and techniques and use this information to improve our own writing. We will focus on using conjunctions, adverbs and prepositions to show time, place and cause.</p> <p>As readers we will continue to read and discuss an increasingly wide range of fiction, poetry, plays, non-fiction and reference or textbooks and read books that are structured in different ways and read for a range of purposes. We will recommend books that we have read to our peers, giving reasons for our choices.</p> <p>As scientists we will identify pushes and pulls, compare how things move on different surfaces, explore magnets and learn what makes things move. We will also classify coins and test the strength of magnets.</p> <p>As artists we will research a selection of Victoria Topping's illustrations and create an annotated image board. We will explore using a variety of art materials to create patterns and shaped. We will know what collage means. We will demonstrate how to create a collages using photographs and a variety of art materials.</p>
<p>Christian Values</p>		
<p>This term in school we are exploring the value of Truthfulness and Honesty.</p> <p>Thankfulness and Honesty - We will consider all the wonderful things we have to be thankful for and who we can show our thankfulness to. We will also explore the importance of honesty and why we should always be honest.</p>		
<p>'Give thanks to the Lord, for He is good; His love endures forever.' (Psalm 107:1)</p>		
<p>Building Learning Powers</p>		
<p>This half term we are going to be more resourceful learners. In particular, we are going to stretch our capitalising muscle and begin to draw on different people, experiences, books and opportunities to enhance our learning. In our lessons, we will explore what can help us, who can help us and where we can go to deepen our understanding.</p>		

Dear Parents,

We are in our final term of Year 3 already! There will be lots of memorable experiences and learning opportunities for the children to explore and enjoy this half-term.

Reading

Your child will be given a reading book to take home as well as a reading book which is kept in school. Your child should be reading daily at home and recording it in their diaries. In school they will take part in daily reading sessions within their English lessons.

Homework

Homework will be sent home on a Friday and is to be completed by the following Wednesday. This will link to work we have done in class, but children may need your support. Please also remember that reading and times tables need to be practiced regularly.

PE

We will be doing PE on Wednesday each week. The Wednesday session is with the sports coach. Please remember to keep your PE kit in school so that it is available for lessons. Could you please check that your child's PE kit has their names in all items to reduce the chance of loss. We still do PE lessons outside in winter so your child may wish to bring a warmer top or tracksuit bottoms to wear in these lessons too.

Chess

We are lucky to be having chess lessons this half term on a Tuesday afternoon. The children will be taught by an expert which is a brilliant opportunity for them to learn a new skill.

Times Tables Rock Stars

Please encourage your child to practice their times tables on Times Tables Rock Stars! If there are any log in issues, please let me know.

Earrings

Please remember that earrings are not part of our school uniform, and they should not be worn in school.

Thank you for your support, please feel free to come and see me if ever you have any queries or concerns or you simply want to discuss your child's progress.

Miss Shaw

St George's CE Primary School
