"Let all that you do be done in love"  
1 Corinthians 16:14

Our new value this term is Truthfulness & Honesty.

Please have a look and see what your child will be learning all about this term, all their new learning challenges are on their Summer 1 Class pages.

A reminder that it is an extra bank holiday on Monday 8th May to celebrate the coronation, school will re-open on Tuesday 9th May. We hope you enjoy the long weekend.

### Royal Coronation Street Party Day!

We have celebrated the King's coronation today with our lunchtime street party. We have sung our Coronation Song and waved our Union Jack flags and everybody looked fantastic wearing red, white and blue. The coronation celebrations will be on television tomorrow from 11:00 in the morning. Please encourage your children to watch this historic event.

### Year 3 - Greek Workshop

Year 3 had a brilliant time participating in their Ancient Greek workshop yesterday.

They wrote their own Greek myths, dressed up as Greek gods, took part in a democratic vote and even competed in their own Olympic Games!

### Reception & Nursery trip to Adventure Longdendale

Nursery and Reception had quite an adventure last Friday.

All of the children got the bus to the playcentre in Longdendale.

They had a brilliant time using all their best climbing and crawling skills through the obstacle course. They all loved using the equipment, even some of the grown ups had a go!

### Social Media App - Discord

Discord is an instant messaging and chat platform that allows users to communicate using voice, video or text. It is popular with the gaming community who use it to talk to people during gameplay, and swap tips about different types of games. However, recently it has grown its user base and is now used by others outside the gaming community.

It has an age-rating of 13+.

Children in school are using it so please have a look at this information guide from the NSPCC to give you some more information.

Please be aware that children can watch videos or see images which may upset or disturb them when they are online at home.

Regularly check in with your children about what they are watching and how they are feeling.

Don't switch off when they switch on.
