

# Year 6 Learning Challenge Summer Term 2 2023

<p style="text-align: center;"><b>Successful Learners</b></p> <p style="text-align: center;"><b><u>Areas of Learning</u></b></p> <p><b><u>As scientists</u></b> we will be exploring light and then electricity later on in the term. We will learn about how light appears to travel in straight lines and explore how shadows are formed and can change in size.</p> <p><b><u>As mathematicians</u></b> We will be learning more about shape and angles. We will learn about the nets of shapes and use our knowledge to problem solve and reason.</p> <p><b><u>As Musicians...</u></b> We will be learning our songs for the leavers show and reflect on what makes a positive performance.</p> <p><b><u>In PSHE</u></b> we will be thinking about the transition between Primary School and High School. We will reflect on the positive memories and relationships that we have established and learn how to apply our skills and qualities to new situations. We will learn how to manage our time effectively and practise setting our own timetable for High School. We will also learn more about health and hygiene and discuss how our bodies change as we get older.</p>	 <div style="border: 2px solid green; padding: 10px; margin: 10px auto; width: 80%;"> <h2 style="color: green; text-align: center;">WHERE DOES OUR FOOD COME FROM?</h2> </div>	<p style="text-align: center;"><b>Successful Learners</b></p> <p style="text-align: center;"><b><u>Areas of Learning</u></b></p> <p><b><u>As readers and writers.</u></b> We will be learning about some of the technical grammatical features within Year 6 and applying these when writing during other curriculum areas. We will be writing some fictional and non - fictional pieces.</p> <p>In <b><u>Religious Education</u></b> we will be learning about God from a range of different faiths. We will explore the names Christians give to God and what prayer is said in relation to the nature and characteristics of God. We will compare this to other faiths such as Islam and Hinduism.</p> <p><b><u>As Geographers...</u></b> We will be learning about where our food comes from around the world. We will look closely at food miles and how we can work to reduce them, we will also explore how some foods are seasonal and the impact that imported and exported food can have on the economy.</p> <p><b><u>As Artists...</u></b> We will be using our text 'Rooftoppers' as inspiration for some artwork focusing on Parisian Rooftops. We will use ink and line drawings to create our own pieces.</p> <p><b><u>In Physical Education</u></b> We will complete the daily mile and increase our stamina. We will also be taking part in cricket sessions and dance sessions this half term.</p>
	<p><b>Christian Values</b></p> <p><b>Thankfulness, Honesty, Love, Hope, Forgiveness, Compassion, Friendship, Trust.</b></p> <p>Our Christian value this half term is RESPECT. We will be exploring how we show respect to others and what this might look like. We will also reflect on scripture from the Bible and other Holy books to find out how people of different faiths show respect.</p>	
	<p><b>Building Learning Powers- Reciprocity, Resourcefulness, Reflectiveness and Resilience</b></p> <p>We will stretch our reflective muscle in particular this half term by looking back at all the positive experiences we have encountered this year. We will also stretch our resilience muscle by pushing ourselves out of our comfort zone by completing our Leavers service and performance.</p>	
	<p><b>Character development - Spirituality</b></p> <p>We will be guided by our own beliefs and thinking about what is right/fair. We will take time to stop and pause and observe the beautiful world that we are blessed to live in. We will also take time to reflect on what we appreciate within our lives and also explore how each and everyone is unique but equally has something to give to society.</p>	

## IMPORTANT NOTES

Dear Parents/Carers,

We have made it to the final half term!

This half term is fun -filled and jam packed with lots of different learning opportunities as usual.

PE- this half term we will be having Cricket on Tuesday and Dance on Wednesday. Please can all children have their PE kit in school as well as appropriate footwear.

We will be talking a lot this half term about getting ready to move onto High School. We realise that this might be quite emotional for some of our children so please can you continue to support them and discuss any concerns they may have.

Please can you also ensure that your child has a water bottle in school to refill throughout the day. As we have had such nice weather the children are drinking a lot more than in the winter months and we encourage this.

As always if you have any questions or concerns, please do not hesitate to contact one of our team.

Thank you for your continued support,  
Mrs A Wassall & Mr R Rigby
