

### Food Pantries in Tameside:

Food Pantries (or food clubs or hubs) are for anyone living in a local area who may be struggling to cover day to day living costs. Food pantries usually have a membership and charge a modest fee for groceries which is much lower than if the food was purchased from a supermarket. Many food clubs also help to decrease food waste by redistributing surplus food. Each food club or pantry may have their own membership rules and ethos - please check with each pantry individually.
