Year 2 Trip to Catalyst Museum sponsored by Hawks Chemical Company Ltd in Hyde

Year 2 had an amazing day out on Wednesday at the Catalyst Science Museum in Widnes. They had a hands on day enjoying all the interactive displays and workshops.

The entire visit including transport was sponsored by Mr R Warren from Hawks Chemical Company Ltd based in Hyde.

He is passionate about the industry and wants to encourage children to think about a future career in STEM and to appreciate and understand exactly what the chemical industry does. In addition the museum is a great day out and lots of fun!

St George's would like to say a big

Thank You to Mr Warren and his company.

Give us the strength to accept the things we cannot change, the courage to change the things we can, and the wisdom to know the difference.

Amen
