## **ST GEORGE'S CE PRIMARY SCHOOL**

### **Nursery Reminders**

You can help your child to achieve their best and enjoy their learning by;

- read their library book with them. Bring it back every Monday so they can borrow a new one.
- practice our words of the week and do the suggested talking activities.
- talking with your child about what they have done at school.
- encouraging them to be independent. To prepare them for Reception get them to put on and take off their own uniform when getting dressed.
- helping them to write their name independently.
- counting objects up to 5 and then beyond. Spotting and recognising numerals around them.
- trying new activities and challenges with them, encouraging them to show perseverance through trying and trying again.
