Reflecting

Is it easy to stand up against bullying?

What might stop you?

What might make it easier?

Prayer

We all have our part to play in building up a family, community and school where people feel happy, respected and accepted.

Lord God,

We remember the times when we feel happiest and most loved.

Help us to work together to make our family, community and school a safe and happy place.

Help us to be united in saying no to bullying, and yes to respect and friendship.

Amen.

Prayer

Dear God,

Help me to know that I am wonderful, in all my differences.

Help me to say kind words to others.

Help me to think about other people and to remember that my words and actions make a big difference to them.

Please help me to help those who are sad.

Thank you that your words and deeds to me are always kind.

Amen.

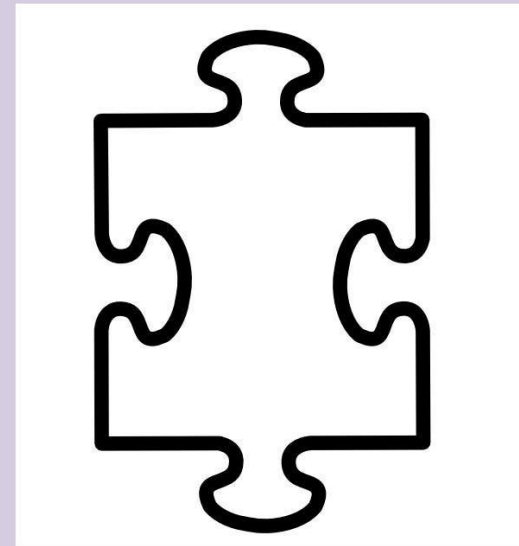

Challenge and Response

United against bullying

United against bullying
What part will you play?

Think about the part you will play in standing up together against bullying. Which part of the jigsaw will you be? Remember that God made us all different but all special and that he loves each and everyone one of us as individuals.

Blowing out the Candles

Peace be with you

And also with you

**May the grace of our Lord
