

## Year 6 Learning Challenge Spring Term 2 2025

Successful Learners	Successful Learners
<p style="text-align: center;"><b>Areas of Learning</b></p> <p><b>As scientists</b> we will be learning all about the human body - in particular the circulatory system and the digestive system. We will be writing our own explanation text to document the journey your food takes throughout our body!</p> <p><b>As mathematicians</b> We will be revising all the mathematical skills we have already explored in Year 6 so far, as well as learning about statistics and geometry. We will be learning about money, time and completing lots of practise SAT style questions.</p> <p><b>In PSHE</b> We will continue explore how we need to treat each other and the skills and qualities that make us a good friend. We will also think about how to stay safe online as well as how we can keep healthy during the run up to SATS</p> <p>In <b>Religious Education</b> we will be thinking out the loss, death and hope. We will explore what different views we have in relation to what happens after we die. We will explore the Easter story in particular to learn about new life at Easter time and what Christians believe.</p> <p><b>In Physical Education</b> we will be learning more about circuit training and how to move our bodies as well as building our stamina.</p>	 <p style="border: 2px solid blue; padding: 5px; margin: 10px 0;">This half term Year 6's timetable will be slightly different due to gathering content for a range of different writing purposes as well as revising for their SATS tests. We will still have time for art, PE, RE and Science - we will be very busy!</p>
	<p style="text-align: center;"><b>Areas of Learning</b></p> <p><b>As readers:</b> We will be practising test techniques to learn how to answer SATs style questions. We will be practising how we can learn what unfamiliar words mean by reading ahead in texts. We will also learn how to skim and scan to find information quickly.</p> <p><b>As writers...</b> We will be using all of the elements that we have learnt so far in Year 6 to complete a range of different writing pieces. We will be writing a setting description, explanation text, a story and much more!</p> <p><b>As Artists...</b> We will explore the artwork of Frida Kahlo and explore her techniques and media used to created a range of different pieces. We will be creating our own Frida sculpture.</p> <p><b>As Historians...</b> We will be continuing our study of Baghdad and Early Islamic Civilisation and focusing more on trade routes, culture and art.</p>
	<p><b>Christian Values</b></p> <p><b>Thankfulness, Honesty, Love, Hope, COURAGE, Compassion, Friendship, Trust.</b></p> <p>Our Christian value this half term is HUMILITY. We will be exploring what it means to be humble and how people can show Humility. We will explore different Bible stories to learn about the skills and qualities significant people show to be humble people. We will also reflect on our skills and talents and if we use these wisely.</p>
	<p><b>Spiritual development</b></p> <p>We will continue to explore the world around us and take time to appreciate the awe and wonder that we can see within our local community. We will take time to stop, pause and reflect in our feelings throughout the day and consider the choices we make to be good role models to other children.</p>
	<p><b>Building Learning Powers- Reciprocity, Resourcefulness, Reflectiveness and Resilience</b></p> <p>This half term we will be stretching lots of our learning muscles in particular our resilience, we realise that during this half term we will be making links to previous learning and learning new facts, we will also need to retrieve knowledge from our Long term memory. We will practise how to revise and make links as well as becoming fully absorbed in our learning.</p>

# St George's CE Primary School

## IMPORTANT NOTES

We hope that you are ready for this busy half term! We will begin to revise our maths learning and SPAG in preparation for SATS in May. We will also be starting our booster sessions for maths on Mondays until 4pm.

Homework is also given out on Friday every week and is due in on the following Wednesday. It is very important that your child completes their learning at home. If for any reason your child is unable to complete their homework please contact me.

Reading books need to be in school every day and will be changed weekly. We attend the school library everyday and spend some part of the day reading for pleasure so please make sure your library book is in school too.

Year 6 is a SATs year and we will encourage the children to complete basic skills at home such as times tables, spellings etc please support your child in doing this as this will really help with the learning that they will complete in school.

As always if you ever need to speak to myself, I am available in the morning or after school and if necessary, you can always telephone school.

We look forward to a positive and successful year together,

Thank you for your continued support,  
Year 6 team
