Year 1 - Self Portraits

Year 1 have finished creating their very own self-portrait models and we are so proud of them!

We think they are fabulous!

Wake Up Wednesday

Since the Wake up Wednesday group started back in September the ladies have had lots of fantastic days out.

They have been for lots of autumnal walks, picked apples from our school orchard to make apple pies with, they went to the canal on a beautiful sunny day, and have enjoyed croissants and tea and coffee for breakfast.

If you would like to join the group, they meet every Wednesday morning just after school drop off.

Word of the Week

Word Aware

Remember these challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow! Ask your child what other words they have learnt in school this week.

Word of the Week: Triumphantly

Definition: Doing something that shows you have won, or you have succeeded.

Challenge: Pretend you are going to hold something up triumphantly, what would you be holding?

Dear God,

Give me strength and courage to take part in the many competitions in my life.

Help me to never give up, even when times are difficult.

Help me to encourage and support others and never lose hope.

Amen

British Gas Energy Trust

www.actiontogether.org.uk/british-gas-energy-trust

British Gas Energy Trust is an independent charitable body set up to support individuals and families who are struggling to pay their bills, regardless of energy provider.

It's intended to tackle fuel poverty by clearing the energy debts of struggling households and respond to the ongoing cost-of-living crisis. Grants to cover arrears of up to £1,500 will be paid.

It is not a requirement to be a British Gas Customer, though the majority of the funding pot is set aside for customers.

Non-customers should check with their own provider first, as there may be funds available to support them.

Full guidelines and the application forms can be found on the British Gas Energy Trust website.

A reminder that the colour version of this newsletter and lots of other information is on the school website. Please take a look!
