

We have had a wonderful week in school.
We have visited temples and other places of worship, watched meerkats playing at a wildlife park and had a visit from the safe squad!

Year 2 Trip - Peak Wildlife Park in Leek

As part of their learning challenge, Year 2 visited the Peak Wildlife Park in Leek last Friday. They were looking at how animals are suited to their habitats and for any unusual animals that live in Australia!

The children were amazed to see Wallabies, they are smaller than Kangaroos and come from Australia and the nearby islands.

Year 4 Trip to the Hindu Temple and Synagogue

Year 4 had a great time at the Synagogue and Temple.

They listened carefully and asked some super questions.

They really enjoyed having a picnic in the park, walking around the lake and playing on the play equipment.

Remembrance Day

We held a service outside this morning where some of our children read poems and prayers followed by a 2 minute silence.

As part of our Remembrance week activities, all of our children made poppies and thought about how they can apply our value Peace.

They looked fantastic!

Safe Squad

Year 6 had a fun, afternoon taking part in a Safe Squad workshop. They discussed fire safety in the home, practised basic CPR, discussed how to be safe online and what to do if they witness any hate crime or antisocial behaviour.

Thank you Safe Squad for making it such an informative session.

Word of the Week

Word Aware

Remember these challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow! Ask your child what other words they have learnt in school this week.

Word of the Week: Sacrifice

Definition: To give something valuable, or important up for others.

Challenge: Can you find out about someone who has sacrificed something for others?

Dear God

Help us to work for peace and to pray for peace. Help us to be fair to others believing that all people are your children.

Thank you that you created a whole world full of different people and we are all special and important to you.

Amen

Class Dojo

We hope you are enjoying the class dojo updates. Thank you to everyone that is responding to the content with likes and comments. Please keep interacting with the page.

It is lovely to see that parents are engaging with everything that is going on in school. As well as class updates we will use it to post the weekly newsletter on and any important news.
