Word of the Week

Word Aware

Remember these challenges are small spoken tasks that do not require pen or paper. They just need you and some talk time, so easy to do on the way home or before bedtime. Get involved, have fun, and your child's vocabulary will grow! Ask your child what other words they have learnt in school this week.

Word of the Week: Estuary

Definition: An estuary is the wide part of a river where it joins the sea.

Challenge: Have you ever seen an estuary? Next time you go to the seaside, look out for where a river meets the sea.
