"Let all that you do be done in love"  
1 Corinthians 16:14

**Thank you** to everyone that came for Parents Evening. It was lovely to hear all the positive things the teachers had to say about the children.

Our first Christmas Enterprise night last Friday was also a success!

It was lovely to see so many of you join us after school for the toy sale and some tasty treats. Everyone is invited to these events. Please join us on the next one. You can see the beautiful decorations the children made for our school Christmas Tree in the hall and all the hanging decorations each class have made.

## Friday 9th December - Non-Uniform Day

Please join us next Friday for Year 3 & Year 4's Christmas Enterprise event after school!

They will be having a Bottle Tombola and a Chocolate Card Game and other treats!

Please bring a donation of chocolate, sweets, bottles, recycled gifts or £1.00.

## Fairtrade Stall

On Thursday 8<sup>th</sup> December we will have a Fairtrade stall at break and after school. Small trinket items around £3-£4 and other items around £1

## Christmas Dinner

Thank you to everyone that sent their forms back for their child to have a Christmas Dinner if they were normally on packed lunches and wanted one.

We cannot accept any more forms now.

If your child is on school dinners they will already have been asked if they wanted that option.

Many thanks,

**Year 4** have been practising their maths skills to make a Christmas tree decoration for the hall.

They had to measure accurately, create a sequence pattern, order correctly and make sure it was symmetrical!!

They persevered well and they look amazing!

**Year 3** went for a local walk to the River Tame on Wednesday. It was really exciting to see a river, linking their learning in the classroom to the real world. They saw a tributary and thought about which direction the source of the river would be by looking at the direction of flow.

The children couldn't believe the amount of beautiful nature right on our doorstep!

What a great trip!
